---	----

D. BACKGROUND ANDEXPERIENCES	
Please briefly present the partner organisation.	<p>Lexema is an organization operating in the field of vocational training at an international level. Its main aim is to encourage and support mobility across EU Nations as a tool of intercultural dialogue and understanding among people.</p> <p>The main activity of the organization is to promote mobility projects and non-formal education activities, as well as language learning, within the framework of the major European Programmes, strongly convinced that the richness of the European Union consists in its inner cultural diversity.</p> <p>Lexema is a member of Erasmusnet, a Network of mobility organizations operating in different European countries, with a strong experience in the coordination of European Projects, in particular related to the Erasmus+ 2014/2020 Programme. Throughout the years, all the member organizations of Erasmusnet have developed a specific know-how in the field of education and vocational training.</p> <p>Lexema disposes of a considerable number of local as well as international partnerships created with public and private institutions, language schools, chambers of commerce, providing all services connected to the development of mobility programs in the following sectors: tourism, new and digital media, marketing, architecture, design, fashion, food and beverage, law and more.</p>

<p>What are the activities and experience of the organisation in the areas relevant for this application?</p>	<p>Lexema has a consolidated experience in working with the Erasmus+ Programme (actions KA1 – KA2 – KA3) as:</p> <ul style="list-style-type: none"> - Sending Organization, implementing projects for local participants (students, teachers, professionals) wishing to pursue training and/or working experiences in other EU Countries; - Hosting Organization in cooperation with foreign institutions. Lexema provides a complete hosting programme that includes accommodation, placement training, language courses, social, cultural and integration planning, tutoring, project assessment and final certification. We work with many different professional profiles, providing work experience for almost all qualifications, graduates, teachers and professionals included.
<p>What are the skills and expertise of key staff/persons involved in this application?</p>	<p>The Staff involved in the project has:</p> <ul style="list-style-type: none"> - Language skills to communicate easily with foreign partners, to manage accounting and/or administrative operations, and to work with all the data required for the actions' implementation; - High competences in national and EU planning; - Consolidated experience in coordinating training and language courses; - Long time experience in finding always new partnerships; - Knowledge about local needs about training and employment; - Knowledge about accounting and administrative procedures relates to European Projects. <p>More specifically, Libero Dachille - Director and Project Manager of Lexema Ltd., graduated in Rome in Management and Business Administration at LUISS Business School. He got a Post Master degree at La Sapienza in Marketing Management. He has years of experiences in sales and marketing in different education/language, travel/events companies and he speaks fluent Italian, English and French. He has been working for several European programs, in various professional fields (organic farming, marketing, social activities, design, sport)</p>

Has the partner organisation participated in a European Union granted project in the 3 years preceding this application?
